

II INTERNATIONAL YOUTH OLYMPIAD ON ALLERGOLOGY AND IMMUNOLOGY

Moscow, Russia

October 18–21, 2018

**The World Immunopathology Organization (WIPO) announces
THE SECOND INTERNATIONAL OLYMPIAD ON ALLERGOLOGY AND IMMUNOLOGY
for students and young scientists under 33 years of age.**

The goal of this International Youth Olympiad is to identify the most talented students and young scientists and to stimulate their individual scientific and practical activities in the field of allergology and immunology.

The winners will be selected by the Expert Panel which will include distinguished foreign and domestic scientists who represent universities and leading scientific institutions worldwide.

Official languages are English and Russian.

**TO PARTICIPATE IN THE COMPETITION, PLEASE SUBMIT YOUR APPLICATION
BEFORE APRIL 15, 2020.**

The Olympiad will have two stages: extra- (distant) and intramural.

- **At the first (distant) stage**, those who are interested to participate, are requested to submit their Application Form together with an abstract for evaluation before April 15, 2020.
- **The second (intramural) stage** will take place in St Petersburg on July 2–5, during an International Forum that includes the WIPO-sponsored XIII World Asthma, Allergy & COPD Forum and the WAO-sponsored World Allergy School. For those scientists who will be selected by the Expert Panel to participate in the second (intramural) stage of the Olympiad, registration fee will be waived to attend both the XIII World Asthma, Allergy & COPD Forum and the World Allergy School in Moscow.

The winners will be awarded with medals and honor certificates.

Other preferences for the Olympiad winners are:

- The winners may attend all 2020 WIPO-sponsored events without paying registration fee which is waived for them.
- The winners may present their work either in oral or poster presentation (as recommended by the Expert Panel) at the XIII World Asthma, Allergy & COPD Forum (St Petersburg, Russia, July 2–5, 2020).
- The winners will have the chance to publish an article or an abstract in an international volume that is indexed in the Web of Science. This publication is free for winners.
